Good Afternoon [Redacted]!

My name is Doug Storbeck and I'm the Director of Operations at Leadpages. This afternoon I write to you regarding a sensitive subject - the content you've published on your [#AnywhereButTarget](#) landing page.

You see, at Leadpages, we strive to create an inclusive workplace that upholds the dignity of all people. We value, respect, and celebrate everyone's individualities and honor their unique strengths from all different walks of life. We believe that embracing diversity of thought and perspective encourages collaboration that leads to product innovation, diverse products and a successful business.

Staying true to our core values is something we take very seriously and we feel this is reinforced in our [Terms of Service](#). Specifically, and according to our Acceptable Use and Conduct policy (to which you have agreed), we prohibit any content which:

“(g) is hateful or discriminatory based on race, color, sex, religion, nationality, ethnic or national origin, marital status, disability, sexual orientation or age or is otherwise objectionable, as reasonably determined by Ave. 81;”

For the reasons stated above, I am respectfully requesting that you to take down your [#AnywhereButTarget](#) landing page upon receipt of this notice, but no later than 8:00am CST on Thursday November 24, 2016.

In addition, I also will remind you at this time that we reserve the right to suspend or terminate our agreement with you at any time and at our discretion for any reason.

“Ave. 81 reserves the right at any time, and without cost, charge or liability, to terminate this Agreement at its sole discretion for any reason, including, but not limited to, a failure to comply with the terms of this Agreement. In addition, Ave. 81 may, in its sole discretion, at any time, temporarily or permanently suspend access to your account, Subscription or Services for any violation or suspected violation of this Agreement. Ave. 81 also reserves the right to deny access to anyone, including, but not limited to those users who use proxy servers and/or IP addresses residing in certain geographical areas outside of Canada and the United States. Ave. 81 reserves the right to terminate any portion of the Site at any time, for any reason, with or without notice.”

If you have any questions, please don't hesitate to reach out to me.

Thank you for your immediate attention in complying with our request and thank you for being a Leadpages customer.

Sincerely,

Doug Storbeck
Director of Operations
